NSW SAFEWORK SMALL BUSINESS REBATE

UPGRADE YOUR BULK BAG HANDLING.

GET UP TO $1,000 BACK.

Safer handling on the farm. A rebate worth checking out.

United Ag's three stand options have been approved as eligible equipment under the NSW SafeWork Small Business Rebate. Eligible NSW small businesses and sole traders can claim up to $1,000 back when purchasing approved safety equipment.

A MORE SECURE SETUP FOR EVERYDAY BULK HANDLING.

Our Bulk Bag Stands provide a purpose-built steel platform to support bulk bags during dispensing.

- **Reduce the need to keep bags suspended from lifting machinery.**
- **Dispense into buckets, wheelbarrows, bins, hoppers, augers or compatible feeders and trailers.**
- **Make handling and dispensing bulk product safer and more practical.**
- **Heavy-duty galvanised steel construction.**
- **1,500 kg working load limit for the Bulk Bag Stands.**

THREE STEPS TO YOUR REBATE

1 CHECK ELIGIBILITY

Confirm your business meets SafeWork NSW requirements and complete an eligible safety education activity.

2 PURCHASE YOUR STAND

Choose your approved United Ag stand and keep your invoice and proof of payment.

3 APPLY FOR YOUR REBATE

Submit your application through the NSW Government website.

Eligibility at a glance: The rebate is intended for eligible NSW small businesses and sole traders with an ABN and fewer than 50 full-time equivalent workers. Additional program requirements apply, including eligible safety education participation and purchase documentation.
