UNIBOX™ RENT TO OWN

A Smarter Way to Invest in Bulk Handling

UnitedAg

Access reusable bulk handling equipment now, preserve working capital and spread the cost over time.

Flexible Rent to Own Options

- No establishment, application or loan fees
- Flexible terms from 1 to 5 years
- Fixed monthly rental payments
- Early payout options
- Minimal documentation for approval
- Preserve working capital

Supporting Operational Growth

Whether you're expanding storage capacity, upgrading handling equipment or moving away from disposable bulk bags, Rent to Own lets you invest in UniBox™ while managing cash flow.

Why UniBox™

A durable, reusable alternative to disposable bulk bags for dry granular product.

Store, transport and dispense
One reusable box replaces multiple handling steps.

Four sizes
Small, Medium, Large and XL to suit your operation.

Protected storage
Rigid body and close-fitting lid help keep out external contaminants.

Stackable design
Make better use of storage space. Empty units nest on compatible models.

Controlled discharge
Internal funnel and side slide gate for partial or full emptying.

Designed for one-person operation
Four-way pallet access and gate discharge simplify handling.
